Dear Families,

Additional training day for our teachers - Friday, 21st October (Heron Hall will be closed)

I have decided to add a new Trust training day for the teaching and learning teams at the school and wanted to write to give you as much notice as possible of this.

Heron Hall will therefore, be closed on Friday, 21st October.

Best possible learning

In my recent letter to you, I said we will do everything we can to make sure the children under our care get the best possible learning opportunities. We want them to make excellent progress in the classroom and are at the academic levels they need to be.

Our staff will benefit from some important new training we are planning for this day.

Essential

Good, regular training is essential for teachers. It improves skills and knowledge and helps therefore, to ensure your children receive the best possible teaching.

I wanted to give you as much notice as possible of this change.

Yours faithfully,

Marino Charalambous
