## Royal Opera House - Tosca

Our students were memorised throughout a 3 hour performance, spellbound. Their behaviour was exemplary. Comments included, 'Once I got used to the convention, I was able to sit back and really enjoy the performance. It was wonderful, magnificent and I actually cried at the end. Thank you so much for taking me'.

Our visit to one of the world's most celebrated theatres enthralled students and has surely been a culturally enriching experience they shall remember.
