

23rd January 2023

Dear Year 11 parents/carers

Half term revision sessions 13th -17th February

The half term break is a vital time for students to revise and prepare for the exams that they have. It is essential that students work hard and come back after the break with as much knowledge as possible. We have organised a number of different revision / intervention sessions to take place during the break.

Students will be invited to attend the sessions from their subject teachers, a timetable has been attached. We would really appreciate your support in ensuring that they attend at this critical point in their studies. It is a fantastic opportunity to consolidate their knowledge and understanding of specific topic areas or enable them to focus on areas that they need to develop further.

There will be 2 sessions running each day, the morning session begins at 10 am and finishes at 12.00pm. The afternoon session begins at 12.30 pm and ends at 2.30pm. There will be no catering available during the holidays, however, we will provide light refreshments and if your child is here for both sessions in a day a grab and go lunch will be provided.

We will inform students and parents the subjects they have been invited to next week. Students should enter through Main Reception and go straight to the subject room. Students are not required to wear academy uniform. Students must be on time, unfortunately late arrivals cannot be admitted.

Yours sincerely
