

Make us your first choice

“ We offer first class teaching, outstanding extra-curricular activities, and place a great importance on doing everything we can to help your child make the transition to secondary education. ”

Introducing Heron Hall Academy

We understand that you are about to make one of the biggest decisions in your child's education. There are many other schools to choose from. All schools are different. We hope this leaflet will make you want to find out more about our school and how we can offer your child the very best education.

So why choose us as your secondary?

We aim to be an outstanding school recognised for its unique approach to character education and excellent academic standards producing students who can be successful in any social sphere. We hope you will come to our open evening and enjoy the opportunity to see our fantastic school and to meet with our teachers, existing parents, and pupils. We think this will convince you that sending your child to Heron Hall Academy will be a life changing experience for them.

High standards

What is our ethos? Its quite simple really. We have high expectations, aspirations and standards for all our students and staff. Every child at Heron Hall can succeed through hard work, application and great teaching. We want all our students to be successful but also to leave us as well rounded individuals who are fully equipped to deal with the demands of modern life. Does that sound like the education that you would want for your child?

Great teaching, great facilities

We have just completed an exciting £40m refurbishment project, giving us state of the art facilities, which are second to none in the borough. We have one of the biggest and most modern science 'mega labs' in the country, a large new purpose built sports hall and an all-weather outdoor 3G pitch is being built. We offer first class teaching, outstanding extra-curricular activities, and place a great importance on doing everything we can to help your child make the transition to secondary education. If you have any questions please contact heron@chat-edu.org.uk

What students will find at Heron Hall

Heron Hall offers all pupils, regardless of their abilities, a rounded education in all major subjects. There is a special emphasis on English and literacy (reading and writing), to equip them for their lives ahead in the workplace.

Our ethos

Heron Hall Academy promotes a strong moral purpose amidst a unique ethos of warmth and respect. We want to educate children who:

Respect themselves and show respect for others

Understand the importance of learning

Understand the importance of making a positive contribution to the community and society as a whole

Communicate well with others and show consideration for others' beliefs and points of view

Present themselves with confidence and pride

Take responsibility for their own actions

Develop the ability to show compassion and give support to others

Students will have the opportunity to take on extra-curricular and enrichment activities that support the work that they have undertaken in the classroom and contribute to students' wider personal development and well-being including their spiritual, moral, social and cultural development.

Transition

We believe that a good induction period helps students to settle into a school and feel confident to express themselves and make quick progress.

Our pastoral team meet individually with parents and students to get to know them and their families and to answer any questions about the school guidance.

You Tube: Watch our film

If you need any more convincing, why not visit our 'CHAT Academies' YouTube channel and see what our current pupils have to say about us? They have called their film 'Make us your first choice.' www.bit.do/heronfilm

CHAT Academies

We are part of the successful CHAT Academies group, where the vision is to ensure that every student achieves their full potential.

Our curriculum is challenging but structured for success with English, Mathematics, Modern Languages, the Knowledge for All curriculum with values and virtues at its heart - but also with a strong emphasis on sport, the arts and on the social, moral, spiritual and cultural curriculum.

How to apply

Apply for a place in 2019 online at www.enfield.gov.uk/admissions and follow the links.
