**RE: INSET Day 4<sup>th</sup> December**

Dear Parents & Carers,

I hope that you are well during these unprecedented times and that you and your families continue to be safe.

We are continually looking at ways to focus on how to adapt to the ever changing situation and part of this is the use of our INSET days that are calendared in before the start of the academic year. We are writing to remind you that there will be a staff INSET day on Friday 4<sup>th</sup> December.

This means that the school will be closed to all students in Year 7-10 but remain open for those students in Year 11 who are completing mock exams.

I am sure that you understand that these days are vitally important in helping staff to continue to develop the skills to ensure that the teaching and learning provision remains high quality throughout the pandemic including when students are accessing work from home.

I wish you and your families well and hope that you continue to remain safe.

Yours Sincerely,

Mr A Barzey

Headteacher

Heron Hall Academy
