

Dear parent / carer

Re: Year 9 assessment week – Monday 7th December to Friday 11th December

I am writing to remind Year 9 students that their internal assessment week starts on Monday 7th December. Students will sit an internal exam in class in all subjects that they are currently studying at GCSE level.

Students will follow their normal timetable during this week. Individual subject teachers will inform students which lessons their assessment will take place.

These assessments will provide us all with information about how students are progressing with their GCSE courses. We will be providing parents with a data report in January with all the assessment outcomes.

We hope that the assessments go well and that your child uses the next week to be as best prepared as they can be.

Please also remind your child that GCSEPod is an excellent revision resource and they can activate their account by visiting

<https://members.gcsepod.com/podauth/newuser>

Kind regards

Arthur Barzey

Headteacher
