

Monday, 22 February 2021

Dear Parents & Carers,

Firstly, I would like to thank you all for your support for helping your child engage with their online learning. It has been extremely pleasing to see the high levels of attendance and engagement our students have had with their learning through Google Classroom. Teachers and students alike are coming up with innovative ways to ensure they are getting the most of their education in these challenging times. Students are still accessing the curriculum as if they were at school and teachers are ensuring that they are not missing out on any knowledge or skills they would have otherwise acquired. This is an accomplishment worth sharing and being proud of together.

To ensure that our students at Heron Hall Academy continue to receive the best provision that we can provide, we will be taking a half day on **Friday 26th February** for staff training and CPD. Remote lessons will run as normal for periods 1-3. After lunch, students will not have their period 4 or 5 lesson on Friday to allow staff to meet remotely for this training. Remote learning will resume as usual on Monday 1st March.

Thank you once again for all your support with our online provision and I hope you stay safe and stay well.

Yours Sincerely,

Mr A Barzey
Headteacher
Heron Hall Academy
