Re: Remote Learning day Friday 21st May 2021

Dear Parent/Carer,

I hope that you and your family are keeping well.

I am writing to inform you that on Friday 21st May 2021 there will be a remote learning day for all year groups. Students will not be attending school in person on Friday 21st May, instead they will have work set by their subject teachers on Goggle Classroom which they will be expected to complete.

As you will be aware, the government cancelled GCSE examinations for 2021. Teachers are expected to submit GCSE grades for all Year 11 student that they teach. On the 21st May, teachers will be in school participating in a moderation day.

I hope that you understand that teachers will need time to standardise and moderate the GCSE assessments that Year 11 students have undertaken in order to ensure that the grades that they are awarding are accurate and fair.

Pupils will be expected in school as normal in Monday 24th May.

Kind regards

Mr Arthur Barzey
Headteacher
