## New for 2021/22

At Heron Hall Academy we are very proud of how smart our pupils look when they wear our uniform. We are very pleased to announce that with the support of our Trust we have been able to secure a number of uniform items at a significantly lower cost. We understand how important it is at this time to keep the cost of school uniform items as low as possible.

These items include:

- ▶ New lower priced blazer at £33.99, a huge saving of 52%.
- ▶ Full new PE kit, with savings of £25.00.

The blazer has exactly the same appearance as the current uniform, but is made with different material and is still of an excellent quality. We have listened to families and the blazer is now machine washable instead of dry clean only.

The PE kit remains black and red and has some slight design changes to the red stripes. You can continue to use the existing kit.

Years 8-11 can continue to wear their current uniform. When replacement items are needed the new, reduced cost uniform can be purchased from our suppliers as and when required. The current higher cost uniform will be phased out as items are replaced and as the children grow.

As well as Smiths Schoolwear, we are delighted to have added a new local supplier Uniform4kids (Lyons school shop) located at 242 Hertford Road, EN3 5BL. Uniform can be pre-ordered from Uniform4kids.

- ▶ Both official suppliers offer a 10% discount on purchases over £100 made before the 31st July in store.
- ▶ Payment plans options are also available if required. Please ask in store for more information.
