Here at Smiths Schoolwear, we recommend you purchase your new uniform before the end of July. This may seem a little early for you, however you can then take advantage of our 10% discount and enjoy time with our experienced sales advisor who will make sure you are comfortable with your uniform. Please don't worry about them 'shooting up' over the holidays as we do sell uniform with growth in mind. During this time we also extend our returns policy from 30 days to 60 days for you in case you would like to make any last minute changes. Beat the queues and book an early appointment on our online booking system. We recommend this for your first uniform fitting. Alternatively we are open Monday - Saturday so you are always welcome to pop in whenever is convenient for you.

We look forward to welcoming you to Smiths Schoolwear!
