

Head of Year's Welcome Letter

Dear Parent/Carer,

My name is Tom Martin and I am going to be the Head of Year 7 here at Heron Hall Academy.

I'd like to begin by hoping you and your families are all happy and healthy during this time. I am sure that everyone is feeling slightly apprehensive and anxious about the new academic year however I would like to assure you that everything has been put in to place to ensure your child is in the safest environment possible. We are here to make sure your child only has to concentrate on their learning and having fun.

I have recently seen the current Year 11's through their GCSE process, a year group I have been with since they were in Year 7. I thoroughly enjoyed the experience of seeing them grow and mature throughout their lives at our wonderful school. I now look forward to achieving a similar success with the new year group.

As a school, and as a Head of Year, we have very high standards and expect all of us to work closely together to get the best out of all of our students. I have two main rules that are very important to me. First is that every student at Heron Hall shows manners and respect to all, and second that they try their very best everyday. My emphasis for your child will always be on the people they will grow into. As I frequently mentioned to my Year 11's parents, your child's grades will always be important to me but what is way more important are the young men and women that they will grow into with us here at Heron Hall Academy.

Here at Heron Hall we have created a community that feels like a close family, all members included but most importantly our students. We have an excellent group of staff members who will dedicate themselves everyday to your child. I can't wait to meet them in person.

I look forward to meeting and working with you in the future.

Yours sincerely,

Tom Martin
Head of Year 7
