### **Year 8 End of Year Trip**

Dear Parents or Carers,

I am writing to you to inform you of our plans regarding our end of year reward trips. Due to Covid-19 restrictions, many venues and companies still have capacity limits in place to ensure social distancing guidelines can be adhered to. Due to these guidelines, we thought it prudent to delay our larger reward trips until the Autumn term and these will now most likely go ahead at a date to be confirmed in September or very early October 2021. Further communication regarding the nature of these trips will be sent out in due course, along with staggered payment options for *ParentPay* though the school intends to subsidise the costs of these trips to ensure this remains an affordable opportunity for all our students and their families.

In the meantime, an exciting range of activities have been planned for **Wednesday 21<sup>st</sup> July 2021** where students are invited to participate. The cost will be **£5.50** - this should be paid via ***ParentPay***. The details of the day are as follows:

- *Trip to Cineworld (Enfield) and then Enfield Playing Fields (Donkey Lane).*
- **Meet at school 9am** - depart school at 9.30 -10am.
- *Students will walk to the cinema and playing fields.*
- *Students will need to provide their own **packed lunch** unless they are entitled to free school meal, in which case the school will provide a lunch on the day.*
- *After the cinema students will walk to Enfield Playing Fields to have their picnic lunch and play games.*
- **Students will be dismissed from Enfield Playing Fields at 3pm** and will be expected to make their own way home. If you wish for your child to return to school please write a note informing us that this is your intention.
- *Please make sure your child wears **Heron Hall PE kit** and a coat in case of rain.*

Please could you complete the permission slip overleaf and return to your child's HoY to ensure their participation in these activities.

Yours Sincerely,

Mr A Barzey  
Headteacher  
Heron Hall Academy
