Dear Parent/Carer,

We are writing to you as we look ahead to your child's GCSE journey with us at Heron Hall Academy. As you know your child will be sitting their GCSE exams at the end of this academic year. I am sure you will support and encourage them to achieve their full potential in what will be the most important exams they have ever taken to date. In this letter we will outline information about the year 11 programme we will be offering this term.

### **Intervention Programme – Term 1**

To support our year 11 students as they prepare for the year ahead and their upcoming mock exams, we are offering intervention sessions to selected year 11 students from **Monday 20<sup>th</sup> September 2021**. These intervention sessions will take place in the:

- **after school from 3:30pm to 4:30pm** – refreshments will be provided

Your child has been selected to attend one or more sessions in the subject or subjects they need the most support. Your child has been provided with a personalised timetable.

The expectation is that your child will attend the session or sessions to which they have been invited and we are asking you to support us in ensuring that your child is punctual and that they actively participate in the intervention session.
