Re: Extracurricular Sports Activities after school (3:30pm - 4:30pm)

Dear Parent/Carer

You have received this letter, as your child is interested in an extracurricular activity that is being held at **Heron Hall Academy**. Please look at the autumn schedule that your child has expressed an interest. Activities will be starting the week commencing **Monday 19th September 2022**.

Students will be required to be in **full** PE kit, and if they are taking part in a football they will need suitable footwear for the astroturf. (If unsure, please get in contact with a member of the PE department.)

If you would like your child to participate in one of these activities, please log into ParentPay where you can sign up for one of these clubs. The clubs are completely **free**. The closing date for the autumn sign up is **Friday 6th October 2022**.

Yours sincerely,

Mr Molokwu (Head of Physical Education)
