

Dear Student, Parent / Guardian,

**Re: Year 10 Invitation to Sixth Form Open Evening**

You are warmly invited to attend our forthcoming Sixth Form Open Evening. This year it will be held on **Thursday 10<sup>th</sup> November, 5.30pm – 7pm**. With year 10 in the middle of their GCSE courses, it is an ideal time for them to start planning their choices after year 11.

The evening will consist of a short presentation that will offer guidance on making appropriate course choices as well as cover admissions and application arrangements. This will be followed by an opportunity for you to meet and discuss courses with Heads of Department and other sixth form teachers.

I am delighted to say that we will be offering over twenty different courses for students to choose from next year. We have the full range of traditional and facilitating A levels, as well as an exciting range of BTEC courses and more specialist subjects.

Sixth Form is an exciting time for students, we aim to motivate you, inspire you and support you to achieve your potential. As we have supported your child both pastorally and academically for close to 5 years now, we are better equipped than any other institution to ensure their continued success and development into Year 12.

Our students are amongst some of the highest achieving in the country and each year we are proud to see our students move on to university, apprenticeships or into employment.

Yours sincerely,

Mr M Molokwu

Assistant Headteacher – KS5
