Re: Extracurricular Sports Activities after school (3:30pm - 4:30pm)

Dear Parent/Carer

Unfortunately, we have had to alter our extra-curricular timetable within the physical education department. Please look at the new autumn schedule attached to this letter. Activities will be starting the week commencing **Monday 7th November 2022.**

Students will be required to be in **full** PE kit, and if they are taking part in a football, they will need suitable footwear for the astroturf. (If unsure, please get in contact with a member of the PE department.)

Due to high demand, we have added an additional trampoline club on a Monday in order for everyone to have a chance of participating. If your child would like to sign up for trampoline club, we would only accept your child on one of the two days available (Monday or Friday). In addition, due to exams taking place in the sports hall, trampoline club will be starting back on Monday 14th November 2022.

If you would like your child to participate in one of these activities, please log into ParentPay where you can sign up for one of these clubs. The clubs are completely **free**. The new closing date for the autumn sign up is **Friday 25th November 2022.**

Thank you for your cooperation.

Yours sincerely,

Mr Charles (Head of Physical Education)
