

January 2023

Enfield Schools Immunisation Behavioural Science Project
Cedar House, St Michaels Hospital. Enfield, EN2 0JB

Dear parent /carer

We would be grateful if you could take the time to complete this important Enfield NHS School Aged Immunisation Survey.

The purpose of the survey is to gather information from families about their views on school aged immunisations and any barriers that you may experience accessing our service. Additionally, we want to hear any suggestions that you may have, as to how the service can improve the delivery of immunisations in our Enfield Schools.

The last submission date is **13th February 2023**.

To complete this survey please click on this link: <https://forms.gle/6sFLDkF5DHVKmw5K6>

Thank you

Enfield School Aged Immunisation Service
