Dear Parents & Guardians

Our sincerest condolences at this time for anyone who has lost family members or friends in the recent Turkey and Syrian Earthquake Disaster. You have our deepest sympathy and unwavering support. Our hearts and prayers go out to you at this very difficult time.

As part of our efforts to support the community, HHA is going to provide a range of Support Groups for our students in order to help them process this very tragic event.

Please ask your child to pick up a Permission Slip from the Inclusion Office for you to sign and return, giving your child permission to attend these sessions.

Yours faithfully
