

Dear Year 11 Parents & Carers,

Re: End of Year Information

I am writing to provide some information on the end of your child's time here at Heron Hall Academy.

Before I provide details on some of the key points, I would like to start by saying how fantastic the students have been this year.

For these students there have been difficulties with lockdowns, remote learning, and periods of isolation for many. Despite all of that, they have risen to every challenge. It has been a pleasure and a privilege to have worked with them during this crucial time in their education. All our staff have nothing but praise for their general conduct, application in lessons and their focus in the examinations.

Examinations and revision

On Friday 16th June they all will sit the physics examination and for many this will be the last examination. However, for some they will continue to revise for Geography, Technology, Food Preparation and nutrition and Further Maths. Revision sessions have been scheduled for all students to be delivered by their subject teachers right up to the last exam. It is important that they attend these vital revision sessions to maximise their skills and knowledge prior to the examinations.

Celebration Assembly

On Thursday 15th June we will be holding a celebration assembly. On this day, Year 11 students will still have revision sessions for most of the day, however, in the afternoon we will celebrate the final time they all will be together before the Prom.

Many students will want to celebrate signing of shirts and albums; We would like to stress that they will not be able to wear shirts that have been signed (Joint examination board guidelines for candidates sitting examinations) in the examination hall and we ask if they wish a shirt to be signed they must bring in a spare one.

College Applications

As you can imagine, we want to ensure that all students are fully prepared for the next stage in their lives. If you require any further support with this or applying to Heron Hall Sixth form, we are happy to help. For further information please contact Mike Molokwu at mmolokwu@northstartrust.org.uk

Returning/Recycling Revision Guides & school uniform

As you can appreciate in our current climate, we are always looking for ways to cut costs and be environmentally friendly. If you have any textbooks or revision guides you would like us to recycle/ reuse, then please hand these in at Main Reception.

Uniform It is always helpful to have a large stock to lend when students forget things. If you have any uniform you would like to donate (blazers, jumpers, shirts, ties or maths stationary) these can also be handed in at our Main Reception.

Prom

A reminder Prom is on Friday 30th June 2023 at Heron Hall Academy, celebrations begin at 7.30 pm and ending at 11.00pm. The theme this year is The Great Gatsby or students may prefer to smart formal wear. Tickets can be purchased on Parentpay.

Results Day

This year, results day will be held on Thursday 24 August 2023 in the Dance Studio.

Collection will be available from 9.30 am to 12.00 pm. Parents/relatives may collect results on behalf of students who are unable to attend themselves, if this is the case, please ensure your child emails us at the following indicating they will not be collecting their results and has given you permission to do so; exams.heron@northstartrust.org.uk This needs completed prior to results day for our records, in order for results to be issued.

And finally... On behalf of all staff, I would like to say thank you for your support and cooperation during your time at Heron Hall Academy. Please do have a great summer. The staff and I are very much hoping to see you on Thursday 24 August 2023. In the meantime, if you have any further questions, please don't hesitate to contact us here at school.

Yours faithfully from the year 11 team,

RAskoolum
