

Dear Parent/Carer,

As you know, we are actively working towards achieving a school improvement award, and your input is invaluable in this process.

Last October, many of you completed a survey regarding our provision, and now we would like to gather your thoughts again to evaluate our progress over the past year.

Please take a moment to complete the survey using the link below.

Your feedback will help us understand what we're doing well and how we can improve even further.

It should only take a couple of minutes, and we kindly ask that you respond within the week.

If you have any queries about this survey, please contact the office. Do not reply to this email as replies are not monitored.

Thank you.

Evaluation submissions are valid between: 25/10/2024 - 25/11/2024. Your submission will not be accepted outside of these dates.
