

4th September 2025

Dear Parent/Carer,

Re: GCSE intervention sessions this half term, running up to Wednesday 22nd October

We hope your child has had a smooth and positive return to school, and I really look forward to working closely with you this year to get the best outcomes possible for your child.

This half term, we will be running intervention sessions in core subjects to support our students in preparation for their GCSEs. The programme is as follows:

Mondays, 3.30-4.30pm	English
Tuesdays, 3.30-4.30pm	Maths
Wednesdays, 3.30-4.30pm	RE
Fridays, 3.30-4.30pm	Science

Heads of Department have selected students to ensure they are on track and will meet their target grades, and as such, it is essential that the students attend the sessions they are given. You will receive a separate email and/or text with the specific session(s) your son/daughter should attend.

If you have any queries about attendance to these intervention sessions, please email jblunden@northstartrust.org.uk or cdwalters@northstartrust.org.uk

If an intervention is cancelled, you will be notified.

Please be aware that there is a Year 11 information evening on Thursday 9th October. All students and parents are invited so I look forward to seeing you there!

Yours faithfully,

J Blunden
Deputy Headteacher
